About Naavik

Empowering India's Maritime Future

Naavik is India's pioneering maritime-centric EdTech and innovation platform, committed to democratizing access to the vast opportunities within the maritime domain. Our mission extends beyond traditional education, aiming to cultivate a national awareness of the blue economy and guide aspiring professionals towards rewarding careers through modern, skill-based learning and technological advancements. We envision a future where India stands at the forefront of global maritime innovation, driven by a well-informed and highly skilled workforce.

Naavik EdTech

Offering affordable, futuristic, and skill-based maritime & vocational education, designed to meet the evolving demands of the global maritime industry. Our courses are crafted to be engaging and practical.

Innovation & R&D

Dedicated to pioneering research and development, we are actively shaping the future of maritime intelligence through breakthrough technologies and sustainable practices.

Naavik Maritime Solutions

Developing cutting-edge AI tools, comprehensive seafarer support systems, and innovative digital products to enhance efficiency and safety within the maritime sector.

Campaigns

Driving national awareness through initiatives like the Master Webinar Series, the Naavik Olympiad, and the user-friendly Seacourse Navigator App, connecting aspirations with opportunities.

What is the Naavik Olympiad?

The **Naavik National Maritime Olympiad 2026** is a groundbreaking, first-of-its-kind national-level competitive examination designed to foster widespread maritime awareness, deepen ocean literacy, and illuminate the vast career opportunities available within the burgeoning blue economy. It's an initiative to identify and nurture young talent who will become future stewards of our oceans and leaders in maritime innovation.

Purpose:

- **Ignite Interest in Maritime Careers:** Inspire students to explore diverse and dynamic career paths in the maritime sector, from seafaring to marine technology and policy.
- **Assess Aptitude and Maritime Awareness:** Evaluate students' understanding of maritime concepts, their general aptitude, and their readiness to engage with ocean-related challenges.
- **Create India's Future Ocean Leaders:** Identify and empower young individuals with the potential to lead and innovate in areas critical to India's blue economic growth and environmental stewardship.
- **Offer National-Level Recognition & Rewards:** Provide a prestigious platform for students to gain national acclaim, alongside valuable prizes and opportunities that can jumpstart their maritime journey.

Who Can Participate?

The Naavik National Maritime Olympiad 2026 is an inclusive platform, designed to welcome a broad spectrum of young minds interested in the vast world of maritime. We believe in nurturing talent from diverse academic backgrounds and geographical locations across India.

- **Students of Class 9 to 12 (any board):** The Olympiad is open to students currently enrolled in any recognized educational board across India, including CBSE, ICSE, State Boards, and international boards. This ensures a wide participation base and diverse perspectives.
- **Open to all schools across India:** We encourage participation from all types of schools, be it public, private, or international, located in any part of the country. Our aim is to reach every corner of India to unearth hidden talent and ignite a passion for the maritime sector.
- **Aspiring students interested in Navy, Merchant Navy, Marine Engineering, Oceanography, or Blue Economy careers:** This Olympiad is particularly beneficial for students who are already contemplating a career in the maritime domain. It provides an early exposure and a competitive edge for those aspiring to join the Indian Navy, Merchant Navy, pursue Marine Engineering, delve into Oceanography, or contribute to the broader Blue Economy sectors such as coastal management, marine tourism, and sustainable fisheries.

Participation in the Naavik Olympiad offers a unique opportunity for students to benchmark their knowledge and aptitude against national peers, gain valuable insights into the maritime industry, and receive recognition that can significantly boost their academic and professional profiles.

Why Participate? – Key Benefits

For Students:

National Recognition

Gain a prestigious national platform to showcase your knowledge and aptitude in the maritime domain. Top performers will receive nationwide recognition.

Exciting Prizes

Win cash prizes and exclusive awards totaling ₹45,000, designed to motivate and reward excellence.

Participation Certificates

All participants receive official E-certificates, valuable for their academic portfolios and future career endeavors.

Direct Entry to Naavik Programs

High-scoring students may get direct entry or preferential access to Naavik's advanced courses and future initiatives.

Career Counselling

Access exclusive webinars with maritime experts for personalized career guidance and industry insights.

Early Global Exposure

Get a head start in understanding the global maritime industry, its dynamics, and diverse career opportunities.

Non-monetary Awards

Opportunities for free internships, scholarships, and mentorships with leading maritime professionals.

For Schools:

Naavik Maritime Champion School Recognition

Schools with significant participation and top performers will be honored as "Naavik Maritime Champion Schools," enhancing their reputation.

Career Building for Students

Provide an exceptional platform for your students to explore and prepare for high-growth maritime careers, adding value to your educational offerings.

National Collaboration Opportunities

Forge strategic alliances with Naavik EdTech, opening doors for future collaborations, joint programs, and resource sharing.

Free Session with Naavik Mentors

Schools can avail a complimentary interactive session with Naavik mentors for their students, focusing on maritime awareness and career pathways.

Awards & Recognition

The Naavik National Maritime Olympiad 2026 is committed to recognizing and rewarding excellence. We have curated a comprehensive awards structure to celebrate the achievements of our participants, from the national winners to every student who embarks on this maritime journey.

Cash Prizes & Certificates:

| | |
|---|---|
|  1st Prize | ₹20,000 + Trophy + Premium Certificate |
|  2nd Prize | ₹10,000 + Trophy + Premium Certificate |
|  3rd Prize | ₹5,000 + Trophy + Premium Certificate |

|  E-Certificates | For All Participants |

All certificates will be digitally verifiable, adding significant value to students' academic and professional profiles. The trophies signify national achievement in maritime knowledge.

Additional Non-Monetary Benefits:

Free Digital Skill Training

Access to specialized digital skill courses relevant to the maritime industry, enhancing employability.

Mentorship for Career Building

Personalized mentorship opportunities with seasoned maritime professionals, offering guidance and insights into career pathways.

Spotlight Features on Naavik Platforms

Top performers will be featured on Naavik's official website and social media channels, amplifying their achievements to a wider audience.

These awards are designed not only to celebrate success but also to provide tangible support and opportunities for young aspirants to further their maritime education and career journey.

Olympiad Structure

The Naavik National Maritime Olympiad 2026 is meticulously structured to assess a comprehensive range of knowledge and skills crucial for future maritime leaders. The examination is designed to be concise yet thorough, ensuring an engaging and fair assessment for all participants.

| | | | |
|--------------------------|---|---------------------------------|---------|
| General Awareness | Maritime sector, oceans, ports, blue economy concepts | Multiple Choice Questions (MCQ) | 30 mins |
| Aptitude | Logic, reasoning, quantitative aptitude relevant to critical thinking | Multiple Choice Questions (MCQ) | 15 mins |
| Innovation | Ideas for sustainable ocean development, technological advancements in maritime | Short Answer Questions | 15 mins |

Total Duration: 60 minutes

The examination combines objective and subjective questions to evaluate both factual knowledge and critical thinking abilities. The "Innovation" section is particularly unique, encouraging students to think creatively about the future challenges and opportunities in the maritime domain. All questions are designed to be age-appropriate for students in Class 9 to 12.

Syllabus & Learning Resources

To ensure every participant is well-prepared, the Naavik National Maritime Olympiad 2026 provides comprehensive guidelines on the syllabus and access to curated learning resources. Our aim is to make quality preparation materials accessible, fostering a deeper understanding of the maritime world.

Key Syllabus Areas:

- **Maritime Basics:** Fundamentals of shipping, types of vessels, global trade routes, major ports in India and worldwide, and the core concepts of the blue economy.
- **Geography of Oceans & Coasts:** Understanding major oceans, seas, important straits, coastal features, and their ecological significance.
- **Career Paths at Sea:** Overview of diverse career opportunities in the Merchant Navy (deck, engine, ratings), Indian Navy, Coast Guard, and shore-based maritime professions.
- **Aptitude & Logic:** Basic quantitative reasoning, logical deduction, verbal ability, and data interpretation skills.
- **Environmental Awareness:** Topics related to marine pollution, conservation efforts, sustainable shipping practices, and the impact of climate change on oceans.
- **Ocean-based Innovation & Sustainability:** Modern technologies in maritime (e.g., AI, automation), renewable energy from oceans, and innovative solutions for sustainable ocean management.

Downloadable Resources:

To support your preparation journey, Naavik offers a suite of easily accessible downloadable PDFs. These resources are designed to provide clarity and a structured approach to your studies.

- 1 **Complete Syllabus**
- 2 **Olympiad Guidelines**
- 3 **Sample Questions**
- 4 **Prize & Reward Structure**
- 5 **Naavik Introduction**
- 6 **FAQs**

These resources can be downloaded from www.naavik.co.in/olympiad and are regularly updated to ensure you have the most relevant information. We encourage all participants to thoroughly review these materials to maximize their preparation.
